Pre-season and post-season tournaments in T-Ball and Coach Pitch will enact a run rule. The run rule is 13 after 3, 7 after 4. The time limit will remain in place for all tournament games. Game ending procedures in case of a tie will be as follows: If score is tied at end of 5 innings OR time limit, whichever comes first, one (1) extra inning will be played. If the score is still tied, the number of outs recorded by each team will be used to determine a winner. If both teams recorded the same number of outs during the game,

CASE 1: Pre-season tournament – a coin flip will determine the winner

CASE 2: Post-season tournament – the higher seed will be declared the winner. If the teams finished as the same seed in their respective divisions, then a coin flip will determine the winner

**THIS RULE ONLY APPLIES TO TOURNAMENT GAMES. LEAGUE GAMES CAN END IN A TIE.**
